General Report Comments: I, Hugh arrived at the property and called Celeste from the outside. She then mentioned she will be out soon. I then waited on her and she opened the door to greet me. I then greeted her and introduced myself.

She then explained to me that she cannot afford to take care of the animals anymore. I then told her that we would be willing to help if she was in a tough situation. She then mentioned that she had just lost her job and started at a new one but her salary won't be able to cover everything. That's why she cannot take care of the animals anymore.

She then signed the dogs over to the dogs.
