General Report Comments: I, Elani arrived at the property and got a man Nd kids at home. They claimed that Clint stays tgere and is planning to fix the house up. They also claimed his parents stay accross the road at 12 Alheit rd, Saron. However he wrote number 11 on his application.

House number 11 has multiple people living there. My biggest concern here was that the property is not fenced at the back and the fence in the front had holes and the gate was open. Thus is concerning as the dog will be able to roam the streets. There are also two kittens staying here. For an american Bully, this is a concern. The people could also not confirm exactly where Clint stays.

Some of the neighbours called his parents who was at the doctors in Porterville. They stay across the road from number 11. Their property has no animals and is fenced with a 1.6m fence.

Due to uncertainty of where the dog will be kept, I denied the application for this prehome check.
