CHECKLISTS

General Report Comments: I,Hugh arrived at the gate and explained to security who I was looking for. They then called Yvonne and she opened up the gate for me.

I then arrived at the property and Yvonne's husband opened the door.I then greeted him and introduced myself,he was very friendly and allowed me to walk through.He mentioned that they have no animals but they fell inlove with cats because the neighbours cat visited them a few times but they sadly moved away taking the cat with them.

I then looked around and the house seemed very nice and a good fit for a cat.

Homecheck approved.
