General Report Comments: I,Hugh arrived at the property and Jefton came outside to greet me.He then mentioned that he called because Brock apparently has a bit of a skin condition.

I then took a look and noticed that it was a slight hair loss and did not seem worrying yet.I then gave them some dip and mentioned that I will be back in about 3 weeks in order to see if he has any improvement otherwise we would then have to consult with a veterinarian.

To follow up in 3 weeks.
