General Report Comments: Sheldon and I,Hugh arrived at the scene.We were then called by the complainant and then redirected to where we should drive.

We then arrived at I greeted the owner who was walking with one dog on a leash and one puppy in his hand.The complainant then soon after arrived and things started getting hostile with the complainant saying that I should remove the dogs from the owners custody.I then explained to the complainant that I cannot just take the dogs and he understood.The complainant and owner of the dogs then continued arguing which I then intervened.I then spoke to the owner of the dogs and explained to him what was needed from him and that I needed to give him a notice to comply.I also explained to him what the animals protection act consists of aswell as prosecution.

He then understood and I then tried to calm him down as the complainant was still yelling in the background.I then issued Notice to Comply 015 to:

- It was alleged that you beat your dogs.
- There are video evidence aswell,refrain from beating your dogs immediately.
- If you fail to comply with these demands you will be further prosecuted.
