General Report Comments: I,Hugh arrived at the property and was greeted by Sofias daughter Zenthia.I then asked her from the gate whether I may enter and she gave me access.

I then walked inside and asked her who Tiger was.She then pointed me in his direction and I then checked his eye.I could then see that the dog was most likely in pain.I then asked whether they would want to surrender the dog as the dog was already 13 years old.She then mentioned that she does not want Tiger to be euthanized.I then explained to her that he is suffering and she still did not want to surrender him because she says his still 'okay'.She wants to speak with her mother who is the initial owner of the dogs aswell as the people who help look after their dogs.

I then explained to her that we will have to take things further if the dog is not seen by a veterinarian by Friday.

I then issued notice to comply 017 to:
-Ensure to provide Tiger with medical attention within 48hours.

To follow up Friday.
