| Type:           | CAT TRAP                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Follow-Up Date: | 2025-05-26                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Comments:       | <p>Elani called Rolf Shumacher to inform him about the cats on his farms just so he is aware.</p> <p>I then called Thomas and he informed me he is not there and unable to open the gate for me .</p> <p>I then called the other complainant and she gave me access to where the cats are. It turns out there is a feral colony of cats that started with five and is now about 30 cats after breeding. She did witness one of yhe cats eating one of the kittens.</p> <p>Thomas and this tenants wants the cats to be trapped. To trap cats next week Monday. The woman vomplainant is at home as she is on maternity leave with her baby.</p> <p>To continue monday with trapping.</p> |
