CHECKLISTS

General Report Comments: I,Hugh arrived at the estate.I then explained to the security that I had been here before and was here to do a follow up.Security then called their manager and he allowed me access accompanied by one of the workers.

Upon arriving at the area I see they had complied with what i had asked.They removed the small enclosure and got a bigger one there.The three sides were closed and the floor was raised.I then explained to the employee that they should put a kennel in aswell.I then mentioned that I will not issue notice to comply and will return on Monday to see the kennel.He then agreed to call his manager immediately.

To follow up Monday to see whether a kennel has been placed there .
