General Report Comments: I, Hugh arrived at the property and was greeted by Mr. Malans daughter in law and she guided me towards the property.

I then went inside the property and saw his daughter. I then greeted her and they agreed to show me around. I then walked around and noticed that they had a large area for the animals to move in and would definitely be enough space for a cat.

His daughter mentioned she will introduce the cat to him slowly and their dog used to stay with cats when he was younger.

Homecheck approved.
