General Report Comments: I arrived at the property and met with Salmaans Uncle who was at home sick. His property is enclosed with gates in front. Thie front gate is at a very busy side of the road.

They already have one kitten and the cats are kept inside for their safety. The house is larger inside than it looks from the outside. There was a large cat post and clean water and food for the kitten already there and a clean cat litter tray. He mentioned they will get a second cat litter tray for Wollie.

They also have a back garden but prefer the cats to stay inside for their safety.

Pre home check passed.
