They have a massive corner house with an extra large yard and lots of space for animals to live at as the yard is two combined in one. The house is also massive with a stoep surrounding the entire house. The stoep is covered and has several dog beds. There are also outside couches for the dogs to sleep on.

The animals are all allowed inside and sleeps inside.

It is a beautiful massive house and more than enough spqce for 3 dogs and six cats. Tina works from home and her mother stays there. There is always someone to keep an eye on the animals.
