General Report Comments: Elani arrived at the property and met with Tarien and her children. They adopted two pups with an adoption contract. One dog for each girl. When I got there they already went to the petshop to buy food, treats, training pads etc. They have two cats and a rabbit as well which were in fair condition, had their toys, beds and necessities.

They also have a massive yard that can be separated in two areas to keep the dogs from running out of the yard.

Pre home inspection approved.
