General Report Comments: Elani arrived at house number four and met the applicants at home. Both work from home.
The house is quite small as it is in a retirement village. They have a small garden but there is a small park to walk the dog.
They have one cat who is in good condition. The back yard is separated from the front.
The cat has its own clean eating station.
They chose Nana as she is a calm demeanor dog.

Pre home check approved for a cat and small breed dog.
