CHECKLISTS

General Report Comments: Elani arrived at the property and met with the owners.

They have quite a small property in a bad area. However their house is enclosed quite well with a gate and brick walls. They already have a large kennel and will allow Rex to sleep inside the house. They already have a bag of Montego food.

They do own two cats that also stays inside. Johan is home every day except he works on Wednesdays. I also educated him about walking Rex and he agreed to walk him every day.

Pre home inspection approved.
