CHECKLISTS

General Report Comments: Elani arrived at the property and met with the owner Joline. They live in a petfriendly estate called Stadsig. All the houses have small enclosed gardens and are double story.

The house is quite big for a cat and the garden is more than enough space. Joline already bought all of the cats things and I also educated her on why to keep the cat inside yhe house for two months which she understood. They work throughout the week. The husband works from home on Wednesdays and they have a cleaner on Tuesdays and Wednesdays . They will use WAHG as a veterinarian.

It is a lovely home. Pre home check passed.
