CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: I, Elani, called the complainant to get an idea of where exactly the house is and what it looks like. This was after I stopped at a bright blue house on corner of Gardenia and Alexander road with two free roaming dogs. He explained that i bee to ho right in Gardenia road until I reach the end of the road and find a grey house. Whikst I was talking, I described what I was seeing and he smvonfirmed its the house. This house is actually 20 Piet Retief road and at the end of the road. They have one pitbull and a puppy with no concerns. Petra lives there. I then went to number 62 who also has a free roaming aggressive dog. I then went to 60 who also had a free roaming aggressive dog belonging to Audrey.

I then got a message from the complainant giving me the right address eith a pin and a photo of a light blue house in Simonsberg street number 27.

I then told him that I will return to the house again when I can and he understood.
