General Report Comments: Enzo and I, arrived at the property and called out for someone as we stopped we saw people going inside.
Whilst waiting, I saw a pitbull dog emaciated curled up on a sack outside.
A man named Anthony came out and we introduced ourselves. We explained why we were there and before we could say anything more he walked to another house in the road, saying he was going to call the owner.
He came back and said we must take the dog. I asked him why the dog looks like this. He responded by saying the owner lost his job and they cannot feed the dog.
He signed Tyson over. I educated him about caring for animals.
