General Report Comments: I,Hugh arrived at the property and saw Zenthia.I then greeted her from the gate and asked whether I may enter.She then allowed me access and I went inside.

I then asked her whether tigers eye was better and she mentioned that it was still the same but was apparently much worse.She then mentioned that the complainant had called her and told her that she may not give the dogs to us to euthanize.I then told her but we never said that was going to be the case.I then mentioned that she should get him at a vet and that the fact that he doesn't have sight in his eye is not the main problem but it could be worse than we expect.

She then understood and said that we should call the complainant.I then explained to her that I am going to issue a final warning and we will be back on Monday to see what they were able to do.

Notice to comply 020 was then issued to:
-Ensure to provide Tiger with medical attention within 48hours.

To follow up on Monday.
