Postal Code:	7626
Date:	2025-06-27
Time:	12:40
Inspector:	INSPECTOR ONE

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	Sheldon and I, Elani arrived at the scene and met with Fredericks from Law Enforcement. There were two sheep busy dying on the middle man that were hit by a car. With two people of sound mind, I proceeded to humanely euthanize the sheep by captive bolt and cut. There were a group of men waiting to slaughter the sheep. I let the sheep bleed out for six minutes and then they removed the sheep from the scene.
