Comments:	Reni contacted to set up a tim to meet about her animals on Tuesday at the Wellington SPCA at 10h00. On this morning Anika Steyn accomoanied me and recorded the entire conversation that lasted two hours. Heinie Langenhoven and Grant Momole assisted Reni. I asked Grant who he was and he said a friend of Renis. As he is not involved at the premises, I asked him to be excused. He excused himself and left. This was a very long, civilized but necessary conversation to be had. I explained in detail to Reni what she needs to fix and how. I gave her many ideas on what to do and Heinie also agreed and listened and said he will be able to help Reni. I did mention the bill of about R35k from the veterinarian and she said she will pay. I then tried my best to convince her to surrender all the animals. She struggled with this and did not want to surrender all of them. However I did manage to convince her to surrender 31 sick guinea pigs, the crow and two of the chicken. She claimed all the other animals. To follow up on veterinary reports of the animals in the veterinarians care .
