Comments:	Dr Karli du Preez informed us that a chicken, a rabbit and 4 more guinea pigs died under their care. They also found homes for all surrendered guinea pigs. Adoption process will run as per the rules but they will be housed at Exotic Animal Vet Century City until home checks are approved . She sterilized all the male guinea pigs. She sent me a veterinary report of all the rabbits and said they need to be surrendered as their injuries are severe and most of them have chronic issues.
