General Report Comments: Luciano and I, Elani arrived at the property and met with Ronnie who was waiting outside with Katja. Katja follows her everywhere like a dog.

We went inside and all the animals were inside. She has a lovely double story house. Most of the cats were sleeping on the beds and the Schnauzers have been shaven. The pool they have is enclosed.

The mom and daughter was home at the time of my visit. She also has a cat flap installed on her front door.

Post home check passed.
