General Report Comments: I, Elani arrived at the property and Christine was sitting outside with her granddaughter.

Upon arrival, I saw German running freely in the yard. Christine allowed me access. They have placed a water bucket in a tyre and built a shelter in an old braai area. The owners complied.

As I touched German, I found ticks on him so I made a dip solution for them and gave them the information pamphlet again of our mobile clinic.

German does not jump the fence.

Owner complied.
