General Report Comments: I, Elani arrived at the property and met with Ms Ventura and everyone else present.

One of the boys took me to the back to show me a gate they have installed and a kennel yhey have built for when the dogs need to be outside and it happens to rain. Ms Ventura then came from the wendy house and showed me that the dogs are kept inside the wendy when they are there. Then they have free roam of the house.

I educated her again about our mobile clinic etc and she was grateful and said she has my number.

Owners complied.
