General Report Comments: I, Elani arrived at the property and met with the children of the property of which the daughter was older than 18. Her name is Shauniq. I informed them about the concerns and they took me to the back of the property to show the dog (Roxys) living conditions.

Roxy was kept in a square walled area on a tangled staticthat was fastened to the kennel. The kennel was adequate. The water bowl was knocked over. She also did not have an adequate collar as they used the chain around her neck.

I then explained in detll to the children how to rectify the living conditions. I issued a warning to Shaun Davids to:

- 1) Provide Roxy with a running chain within 7 days as discussed. (With swivel)
- 2) Provide potable water for Roxy at all times (Place water bowl/ bucket in tyre / crate with bricks)
- 3) Provide Roxy with an adequate collar/ piping around neck within 7 days.

Shauniq signed the warning. I gave the son a swivel so long so he can fix the chain properly.

As I left, I saw him unchaining the dog and playing with her.

To follow within 7 days.
