CHECKLISTS

General Report Comments: I, Elani arrived at the flat and met with the two students living in a flat.

I immediately asked them after finish studying whi will take Gertjie and Evanka said she will. Thus I took her details. I also asked if their parents are fine with it and whether they can afford private veterinary fees and they both said yes.

I approved the home check but we are still awaiting the approval letter from the landlord.

Pre home check approved
