General Report Comments: I, Elani arrived at the farm houses i went to Rodines house and awarded her with a blue drum kennel for the dogs due to working with us. .

I then went to Bonzos property. Berenice was at home and decided to surrender Bonzo over to the SPCA.

I then saw Milo belonging to Renaldo Pas (0698275295) on a static chain with no access to water. Previously the dog was free roaming. I wanted to give him shelter as well but then issued him with a warning to:

- 1) Provide Milo with water at all times (Place bucket on tyre/ crate with bricks).
- 2) Provide Milo with a running chain within 7 days.
- 3) Provide Milo with an adequate collar/ piping around neck within 7 days.

To follow up within a week and collect kittens for surrender on Thursday .
