General Report Comments: I, Elani arrived at Naby Farm and went to check on Milo. Renaldo was home and I saw that he had built a new kennel for Milo and she was free roaming.

I realized he closes her in the cage at night to prevent her from running in the road. I told him that this is unacceptable. We then tried to find scrap to build a running chain with but there were no solution. Somebody said he will get a pen and wire from the farmer. Renaldo agreed to get this and build the running chain.

I issued him with a warning to:

1) Ensure that Milo has an adequate running chain within 3 days.

He signed the warning. I then proceeded to give everyone who complied a bag of food to help them.

To follow up on Monday.
