General Report Comments: Luciano and I, Elani arrived at thE property and found that Milo was still on a static chain. He did have access to shelter and water.

I explained to Renaldos family member what he needs to fix.

I issued a warning to:

1) provide Milo with an adequate running chainwithin 4 days. He is on a static chain which does not afford enough space.

Annie Blankenburg (0673654971) signed her dog over for surrender due to being pregnant.
