General Report Comments: I, Elani arrived at the farm houses just before the primary school. There are about 10 houses and not many dogs as I have removed dogs from here previously.

I stopped at the first house where I saw a thin dog named Lady. The owner was home but said his lunch break was over and he needed to get back to work. I quickly asked the dogs name and told him I will leave him a letter on what to do and he said its fine and disappeared.

I issued a warning for him to:

Your dog Lady seems to be underweight.

1) Ensure to feed Lady adequate food within 72 hours (puppy food will help), Feed twice a day. Do not feed potato peels, pap and bones.

2) Ensure to provide lady with dewormer within 72 hours. (Preferably Triworm D - we do sell R25 per tablet).

I left the warning with the neighbour and explained to her what to tell him and she agreed to give the letter to him.

Mariaans dog was fine but did not have adequate shelter so I would like to donate a blue kennel to her on Friday.

Frank also had three dogs that I will provide a kennel for on Friday as they only need this.

To follow up on Friday.
