General Report Comments: I, Elani arrived at the farm houses just before the primary school. I went to Frank and Mariaans houses to donate kennels to them for their dogs. Both were not at home this time.

I then went to Ladysproperty and found the daughter to be home. I asked whther they bought dog food and whether she can show it to me. The daughter came out with a large bag of food. Because of their compliance, I gave Lady dewormer and explained to the daughter how to give it. I then informed her that I will be back in a months time to see whether Lady had gained weight.

All the animals seem like they are in good conditions.

To follow up on in a months time on Lady
