General Report Comments: I, Elani arrived at the property and met with Marlies. Her vleaner was there and is there once a week on Wednesdays.

They have one dog that had free roam of the back yard and garden. He had a kennel, water and was on good condition.

They make use of WAHG as a veterinarian. They understand keeping the cat inside the property to let it get used to the new environment.

Marlies is a teacher and comes home mostly after 15h00.

It is a lovely house and they will pick Tiger up yomorrow at 15h00.
