General Report Comments: I, Elani arrived at the house. Anna Marie and her husband was home with the domestic worker.

They welcomed me inside and I could see they are preparing for a birthday party. It is a lovely home in a complex and both parents work from home. They do understand the introduction of the cats after I explained it in detail.

They have two dwarf hamsters. They are in a cage big enough for both with multiple tunnels and toys and it was clean.

Anna Marie then took me to the cupboard that she placed all the new cat toys and food and hamster paraphernalia.

I also educated her about the sterilization and gave her the details of exotic veterinarians that can help with hamster sterilization.

Pre home check passed for Mossie.
