General Report Comments: I, Elani arrived at the property and there were multiple people at home. I introduced myself and explained the reason why I am there.
I saw two brown pitbulls named Killer and Bokkie on static chains on the stoep sharing a kennel. Bokkie had only a chain around his neck. The area was also littered with hazardous material like rusted roofing, old burnt firewood and rubble.

I asked if there are any other animals on the property and they showed me to the back of the property and saw Julas belonging to Sophieon a static chain.

I went to the front yard and explained in detail how to build a running chain etc. evreybody listened and Jonathan agreed to accept the warning.

I issued a warning to:
