General Report Comments: Luciano and I, arrived at the property and found that Jonathan complied immediately with installing a running chain for each of his dogs named Killer and Bokkie. They both have access to shelter and water. Their collar were also fixed. For his compliance we gifted him with dewormer for his hard work.

However Julus was still on a static chain. I therefor said I eill come back next Tuesday to see whether Julus is on a static chain or not.

I think it slipped my mind to issue a warning as I cannot find it.

To follow up Tuesday to see whether Sophie complied by installing a running chain for Julus .
