CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: I, Elani arrived at a lovely home. There are stairs towards the main house with a two gate system for the safety of the animals.

All the children and the husband was home and they immediately adored Ebony. They have two beautiful cats who were sleeping on the sons bed at the time.

The back yard is large with a covered pool. There is more than enough space for Ebony.

She is allowed on the bed and to roam as she pleases.

Pre home check approved
