General Report Comments: I, Elani arrived at the home and saw that Mr Carstens was home and introduced myself.

They have three dogs of which the eldest had a jacket on due to the other dogs having short coats. They were inside at the time of arrival. Charlie was very skittish towards me and new people. He is very bonded with the owners though. They are still happy with him even though he is scared. There were multiple beds inside the home for the dogs.

The dogs are very well looked after.

Post home check passed.
