General Report Comments: I, Elani arrived at the property and nobody was home. As I proceeded to call the owner, she arrived at the property.

I informed her about the post home. She allowed me inside. Her vleaner was at home as well. The house is immaculate. Merida has her own feeding station and has multiple choices of where to sleep. She mostly sleeps outside by her son in the flatlet.

Merida is very well taken care of.

Post home check passed.
