General Report Comments: I, Elani arrived at the premises and saw the two handlers walking the sheep on the grass patch so they can eat.

One of the Imams showed me a storage unit earlier that they will clean out for the sheep by nightfall to sleep in. At this time I observed that they cleared out this sheltered storage unit, placed hay as bedding and a water bucket for them.

They also confirmed only doing 6 sheep and using a butchers knife like mine.

Because of COGH SPCA needing more hands on Saturday, I will be going there directly on Saturday and will be unable to observe this slaughter. Luckily it is only 6 sheep and they did comply with everything I requested.
