General Report Comments: I, Elani arrived at the property to see whether the female Boerboel has gained weight. As I stopped somebody else stopped and said he is not the owner. There are so many people living here.

I called the dogs whilst he got someone to help me. All of the dogs were free roaming at the time and came to the front. I could see the adult female boerboel is gaining weight.

Leighton came forward and I gave him a rundown on what he needs to feed the dogs and he understood.

Owners complied.
