General Report Comments: I, Elani arrived at the property to do a follow up on whether they built the running chain. The owner was home and I could speak to her directly. She explained that they are planning to get the materials thr weekend as her husband is home then to fix the running chain. She mentioned that he is savvy with building things like this.

I asked her whether I can return after the weekend and she said yes.

I then issued a warning to:

1) Provide Cena with and adequate running chain within 6 days.

To follow up the Tuesday
