General Report Comments: I, Elani arrived at the property and saw that nothing has been changed with Cenas situation.

I called out and Felicity was home and greeted me. She explained her husband didnt come home this weekend as he is driving machinery in Citrusdal for the season. He said he will definitely come home over this weekend.

I explained what they need to do in detail again and why and she said she will let me know via Whatsapp if anything changes over the weekend with his work schedule.

I issued a FINAL warning to:

1) Provide Cena with an adequate running chain as discussed within 7days.

To do the follow up within a week
