Thank you for your mail and documentation. Can I please make a booking for sterilisation for 8 August for this ginger male.

About the cat trap, how do we go about that please:-

- is the trap set up the day before sterilisation
- should the sterilisation take place 8 August, do you keep the cat over the weekend to recover, as it is not our cat
- when do we collect the cat for releasing

Captured By: Many thanks.
