General Report Comments: I, Hugh arrived at the property and was greeted by Helena Davids son. I then introduced myself and he said he's name is Haunre. I then asked him whether the runner was up yet and he said it's not been put up because they waiting on his father who works alot.

He then came outside and showed me the things they had bought for the runner. I then asked him whether I could take a look at the dog and he allowed me access. I then went inside and saw the dog on a static chain and she also had no water. I then asked him to fill the water immediately.

We then walked to the front and he asked me for some assistance installing the runner. I then told him that I cannot today but would likely be able to help him tomorrow as he had said his father will put the runner up tonight.

I then issued notice to comply 027 to:

- Ensure to provide Roxy with a running chain within 24 hours as agreed with by Haundre Davids.
- Provide Roxy with adequate drinking water immediately.

To follow up tomorrow.
