General Report Comments: Luciano and I,Hugh arrived at the property. We then called from the outside and the owner of bokkie and killer came outside.They were still on their runner.

He then called the owner of Julas.I then asked her if she had built the runner already.She then mentioned that she had not but will built it by next week Friday due to them getting the materials.

I then walked to the back and confirmed what she stated.

Notice to comply 022 was then issued to:
-build Julas a running chain by next Friday as confirmed by Julene who is the owner of Julas.
