CHECKLISTS

General Report Comments: I,Hugh arrived at the property and was greeted by Lehandres husband.He then allowed me access and I met up with Lehandre.

I then took a look around and I saw the two dogs running in the other property.He then mentioned that they are seperated and that it's his parents dogs.Who live next door.

I then proceeded to take a look around and they mentioned that they had tenants living there before them who had dogs but they hadn't had any before.

I then explained to them that the weather is not good for a puppy to be outside but they then explained that she will be inside.Until they create a doggy door.

Homecheck approved.
