General Report Comments: Elani and I,Hugh arrived at the property.We were then greeted by Bertus who then allowed us access.

We then entered the property and saw his large male GSD X who was in good condition .We then proceeded to introduce ourselves aswell as explain to him the nature of the complaint.He then annoyingly agreed and showed us his puppy.The puppy was in good condition and he also showed us the reason why the puppy cries at night as if he's being beaten.The reason was that he has a toilet roll and as soon as the puppy sees this he whines.He then showed us both dogs vaccination records aswell as the dog food he feeds.

Overall everything was okay at the home.
