General Report Comments: I,Hugh arrived at Bosman Adama in order to collect an apparent dog with maggots in its neck .

I arrived at the property accompanied by the employee who informed me and guided me towards the area but could not find the dog.

They mentioned that the dog was possibly deceased.As we were walking through I could see a pitbull on a static chain but could unfortunately not take pictures as my phone was in the vehicle.I then stood at the property and spoke to the safety controller who is Ell.I explained to her that the dog having a chain collar aswell as a static chain is a contravention of the APA .She then understood.

I then issued notice to comply 026 to:

- Ensure to provide your dog with a running chain within 6 days.
- Provide your dog with piping or a proper collect for its neck within 6 days.
- failing to comply with these demands could lead to further prosecution.

To follow up in a week.
