General Report Comments: I, Hugh arrived at the property and called from the outside. A lady named Chantel then came outside.

I then greeted her and asked her whether she was the owners wife. She then mentioned that she is. I then asked her whether he had built the runner. She then mentioned that he had not but she wants to surrender the dog. I then agreed and told her she could put the dog in the vehicle as she claimed she's the owner.

She then came back to me and asked me for some time as she will fix it by Friday. I then explained to her what I needed from her and what she could do. She then agreed. I also noticed the dog had no drinking water and explained to her how important it is that fluffy has water at all times. I also explained to her that he needs a proper collar as the chain was not adequate.

I then issued notice to comply 028 to:
-Provide fluffy with an adequate running chain within 48 hours.
-Ensure fluffy has water at all times.
-Provide fluffy with an adequate collar within 48 hours.

To follow up Monday as she told me she won't be home on Friday.
