General Report Comments: I,Hugh arrived at the property and called from the outside.Riyaad then opened the door and welcomed me into the property.

I then explained to him the nature of the complaint and could see the frustration in his face as we had been there already and did a thorough inspection.I then explained to him that I won't take up too much of his time as he had to get back to work.He then allowed me to check the shelters aswell as both dogs.Both dogs were in good condition and both of them had 2-3 shelters as they could then decide where they want to lay in.All water bowls was filled.

I then thanked him for his time and I left.
